**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a user of a competitor to major providers and a believer in competition on a market I think it is incredibly important that we preserve the integrity of our economy by not allowing big business to squash the backbone of our capitalist society: small business. We thrive on competition and everyone loses is large corporations like Att are permitted to continually step on the little guy, abusing their usership and monopolizing the telecommunication space. Please continue to protect our union by preventing the empowerment and enrichment of a select few at the detriment of sooooo many others
